13th Annual Community Response to Child Abuse Conference

October 4, 2013

Featured Speakers

Sharon W. Cooper, MD, FAAP

Sharon Cooper is the CEO of Developmental and Forensic Pediatrics, PA a consulting firm which provides medical care, research, training and expert witness experience in child maltreatment cases as well as medical care for children with disabilities.

She works regularly with numerous national and international investigative agencies on Internet Crimes against Children cases.

Dr. Cooper spent 21 years in the Armed Forces retiring as a colonel, and has worked in both the civilian and military arenas in child abuse and developmental pediatrics. She holds a faculty position at the University of North Carolina Chapel Hill School of Medicine and the Uniformed Services University of Health Sciences in Bethesda, Maryland. She is an instructor at the Army Medical Education Department Center and School at Ft. Sam Houston, Texas where she provides multidisciplinary training in all forms of child maltreatment to health care providers, law enforcement, attorneys, judges, therapists, chaplains, and social workers.

For the past several years, Dr. Cooper has served as a consultant to and a Board member of the National Center for Missing and Exploited Children where she teaches about the victim aspects of Internet crimes against children and commercial sexual exploitation of children and youth. She has also provided numerous international training for the International Center for Missing and Exploited Children. Dr. Cooper has lectured both nationally and internationally in well over 300 conferences for the US Department of Justice, the FBI, the North Carolina District Attorney's Association, several Attorney General's conferences, the American Academy of Pediatrics, the Royal Canadian Mounted Police and Interpol among others. She has published chapters in texts, and is the lead author of the first comprehensive textbook on the medical, legal, and social science aspects of child sexual exploitation and Internet crimes against children.

Dr. Cooper has provided testimony before the US Congress as well as international senates. She is a board member of several organizations and

is a member of several national and international professional groups. Dr. Cooper was selected by Newsweek Magazine as one of the 150 Women Who Shake the World (March 2011). She has also been selected by the Attorney General of the United States as a member of the Defending Childhood Task Force: Children Exposed to Violence (2011-2012).

Kevin Koliner

Kevin Koliner is an Assistant US Attorney in South Dakota, where he has prosecuted a wide variety of cases ranging from white collar to violent crimes. Since January 2013, he has served as Appellate Chief for the district, and he serves as the designated civil rights prosecutor. He has successfully

prosecuted large-scale human trafficking cases. He has conducted numerous training programs for law enforcement and the general public on identifying, investigating, and prosecuting labor and sex trafficking cases. Koliner is a South Dakota native, and he is a graduate of the University of Minnesota and University of Virginia School of Law. Prior to becoming a federal prosecutor, he was a commercial litigator in Portland, Oregon.

Kenneth S. Snell, MD

Minnehaha County Coroner/Medical Examiner Originally from Gadsden, AL, Dr. Snell completed his undergraduate degree, Medical Doctorate degree, and Pathology training in Mobile, AL at the University of South Alabama. After completing his Pathology

training, Dr. Snell completed a fellowship in Forensic Pathology at the Office of the Chief Medical Examiner, Chapel Hill, NC. He is board certified in Anatomic/Clinical Pathology and Forensic Pathology.

After completing his training, Dr. Snell worked in the Charlotte, NC ME office and the Memphis, TN ME office. From 2006 until 2010, Dr. Snell worked for the Alabama Dept. of Forensic Sciences and served as the Chief Medical Examiner 2008 to 2010. Dr. Snell began his current position as the Minnehaha County Coroner/Medical Examiner in February 2011.

13th Annual Community Response to Child Abuse Conference

October 4, 2013

Target Audience

Child abuse professionals involved in the identification, investigation, prosecution or treatment of children who may be victims of child abuse and neglect will benefit from this conference. Target audience includes: social workers, law enforcement, attorneys, judges, victim advocates, counselors, CASA volunteers, first responders, health professionals, medical, nursing, and other students, daycare providers, teachers, foster parents, and others interested in the field of child abuse and neglect.

Statement of Need

The National Children's Alliance recommends that child abuse professionals receive continuing education on the latest trends and research in child abuse annually. Child's Voice and Child Advocacy Centers of South Dakota are committed to best practice in the evaluation of children who may be victims of child abuse and neglect. The conference agenda was chosen based on feedback from prior attendees and the multidisciplinary team members.

Disclosure

Faculty disclosure and commercial relationship information will be made available at the activity. Speakers are required to disclose discussion of any off label, experimental or investigational uses of drugs or devices in their presentations. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgements regarding the presentation.

National Children's Alliance, a not-for-profit organization whose mission is to provide training, technical assistance and networking opportunities to communities seeking to plan, establish and improve children's advocacy centers.
