INAUGURAL RAO R. IVATURY TRAUMA SYMPOSIUM

*Penetrating Injury:
The Good, The Bad
and The Ugly*

May 17, 2013

The Downtown Richmond
Marriott Hotel
500 East Broad Street
Richmond, VA 23219

Course Description

“Penetrating Injury: The Good, The Bad and The Ugly” is designed to inform attendees about current challenges and solutions in penetrating trauma management.

Target Audience

Physicians (faculty and housestaff), Nurses and EMS providers who participate in the care of the injured patient.

Objectives

At the conclusion of this meeting the successful learner should be better able to:

- * Identify current advocacy strategies for the Health care professional regarding Gun Control
- * Identify current guidelines in the Prehospital setting and ED in order to provide optimal care to patients with penetrating injuries
- * Identify guidelines in order to provide optimal care to patients with vascular injuries
- * Discuss current guidelines in order to provide optimal care to patients with penetrating cervical injuries
- * Identify current guidelines in order to provide optimal care to patients with penetrating thoracic injuries
- * Describe current guidelines in order to provide optimal care to patients with abdominal injuries
- * Identify current guidelines in order to provide optimal care to patients with pelvic injuries

Accreditation and Educational Credit

University Health Services Professional Education Programs (UHS-PEP) of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UHS-PEP designates this live educational activity for a maximum of *6.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. 0.7 CEUs will be awarded and recorded with the University.

Category 1 ALS and BLS CEUs will be offered for pre-hospital providers through the Virginia Office of EMS.

Parking

Parking is available directly behind the Richmond Marriott at 5th and Marshall Streets **ONLY!** This is included in the registration fee. Voucher provided on day of event.
