

STN LEADERSHIP AWARD
2007-2008 NOMINATION FORM

STN LEADERSHIP AWARD

Definition: An individual, in the medical or non-medical field, who has demonstrated outstanding leadership in trauma through practice, research, publication, education, patient advocacy, injury prevention, trauma system development or legislative involvements during a career at a local, state or national level.

The following are not eligible for nomination:

- Any current member of the STN Board of Directors.
Any individual who served on the STN Board of Directors within the last year (since January 2006).
Any award winner who has been recognized within the last three years (since March 2004).

NOMINATION INFORMATION

Please use a separate sheet for each nominee.

I would like to recommend the following individual for the STN Leadership Award recognized by the Society of Trauma Nurses at the STN Annual Conference. NOTE: The 2008 STN Annual Conference will be held April 9-11, 2008, in NEW ORLEANS at the Sheraton New Orleans hotel.
