

STN Leadership Institute

Presented by the Leadership Development Committee

Elevate your trauma leadership with STN's Nurse Leadership Institute, a powerful 12-week web-based program meticulously crafted to align with STN's core mission and strategic vision. Designed for aspiring and current trauma leaders, this comprehensive institute equips you with the essential skills to excel from bedside to boardroom and beyond. Through engaging pre-recorded presentations from experienced speakers, dynamic "toolbox" resources, insightful blogs, and continuous interactive support from dedicated moderators, you'll master crucial leadership domains including Communication, Finance, Professionalism, Healthcare Environment Knowledge, and Business Skills, fostering both personal and professional growth within your vital role.

Course Format

Self-paced on-demand didactic sessions and weekly discussions and assignments along with live moderation to provide interactive support and personalized feedback throughout the 12-week course offering. Participants can expect to commit 2-3 hours weekly to complete the course.

Applicants must have a comfort level with an online format and have access to a computer with the minimum browser requirements.

Continuing Education Credit

The Society of Trauma Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This program will provide **36.5 contact hours of continuing nursing education**. All assignments and final evaluation must be completed to receive CNE for this program. No partial credit will be awarded.
