STN Trauma Registry Onboarding Course

Presented by the Leadership Development Committee

Transform your trauma program with the Registry Onboarding Course, a dynamic online program designed to equip trauma leaders with the knowledge, skills, and tools to cultivate exceptional registry talent! Over four weeks, you'll learn from experienced speakers and engaging web-based media, mastering key components of a successful onboarding process, developing effective job descriptions, and justifying additional FTEs. Design a robust onboarding schedule, explore group workflows, and discover strategies for retention, remote work monitoring, and staff engagement. Advance your skills and leave with a toolkit that includes a draft FTE justification, onboarding schedule, IRR tool, and a clinical ladder for registry staff. Enroll today to elevate your leadership and empower your team!
