Creating Order Out of Chaos
A multidisciplinary trauma symposium

Saturday, February 11, 2017
Hofstra Northwell School of Medicine
500 Hofstra Boulevard
Hempstead, NY 11549

5.5 AMA PRA Category 1 Credits™

A CME conference designated for physicians, nurse practitioners, physician assistants, registered nurses, emergency medical technicians and others.

Featuring keynote speaker
Scott S. Coyne, MD

Sponsored by Northwell Health Trauma Institute
Statement of need
With the increasing amount of controversial issues in the management of common injury patterns, there is a need for evidenced-based data and expert opinion in appropriate trauma care. This symposium will present a variety of these controversial issues in a debate format. This information will help guide healthcare providers to make informed decisions.

Program objectives
All Northwell Health CME activities are designed to improve patient care, safety and outcomes. At the conclusion of this conference, participants should be able to:
- Interpret different methodologies for mass casualty incidents and understand how to best prepare a facility to handle an MCI
- Review the risks and benefits in the use of hemostatic agents and TXA treatment as a means of hemorrhagic control
- Explain focused assessment with sonography in trauma

Target audience
This symposium is targeted to trauma/critical care physicians, physician assistants, nurse practitioners, nurses, EMTs and pre-hospital care providers.

CME accreditation
Northwell Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit designation
Northwell Health designates this live educational activity for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing education credits
Northwell Health – Institute for Nursing is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s (ANCC) Commission On Accreditation.

To earn a contact hour certificate, participants must stay for the entire presentation and complete and submit an evaluation form.

Accredited status does not imply endorsement by NJSNA, Northwell Health or ANCC of any commercial products or services.

Disclosure policy information
Northwell Health relies upon faculty participation in its contact hour programs to provide education information that is objective and as free of bias as possible. In this spirit, and in accordance with the guidelines of the program sponsor, faculty participants are expected to indicate any commerce relationship that might be perceived as a real or apparent conflict of interest.

Faculty disclosure policy
Northwell Health adheres to the ACCME’s Standards for Commercial Support. Any individuals in a position to control the content of a CME activity, including faculty, planners and managers, are required to disclose all relevant financial relationships with commercial interests. All relevant conflicts of interest will be resolved prior to the commencement of the activity.

Special needs
This conference is in compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special accommodations, please contact the department of surgery at (516) 321-8384.

Cancellation policy
All cancellations must be made in writing to KBeyer@Northwell.edu by Friday, January 27th. An administrative fee of $25 will be retained.

Program agenda
Creating Order Out of Chaos: A multidisciplinary trauma symposium

February 11, 2017

7:30am Registration and light breakfast
8am Introduction and welcome
   Jeffrey Nicastro, MD, FACS

Faculty

**Program director**

Jeffrey M. Nicastro, MD, FACS, FCCM  
Vice President, Clinical Services  
Vice Chairman of Surgery, Northwell Health  
Executive Director  
Northwell Health Trauma Institute  
System Chief, Division of Acute Care Surgery  
Program Director, General Surgery Residency  
Associate Professor of Surgery  
Hofstra Northwell School of Medicine

Anthony E. Conrardy, MBA, MA, CIC, EMTP  
Program Director  
Emergency Medical Institute and Center for Learning and Innovation  
Northwell Health  
Assistant Professor of Science Education  
Hofstra Northwell School of Medicine

Timothy R. Dackow, RN, BSN, CCEMT-P  
Coordinator of Trauma Injury Prevention and EMS Outreach  
Surgery Trauma Critical Care  
Southside Hospital  
Northwell Health

Yana Etkin, MD  
Associate Program Director  
Vascular Surgery Fellowship  
Northwell Health  
Assistant Professor of Surgery  
Hofstra Northwell School of Medicine

Katayoun Fayaz, MD  
Medical Director  
Transfusion Medicine Services  
Northwell Health and NuHealth

Annemarie Glazer, RN, BSN, MBA, TCRN  
Trauma Program Coordinator – Performance Improvement/Research Department of Surgery  
Division of Trauma/Critical Care  
North Shore University Hospital  
Northwell Health

Michael D. Grossman, MD, FACS  
Chief, Acute Care Surgery  
Southside Hospital  
Northwell Health  
Professor of Surgery  
Hofstra Northwell School of Medicine

**Workshop 1**

Hemorrhage control: Tourniquets, TXA/PCC, whole blood  
Michael Grossman, MD  
Ronald Simon, MD  
David King, MD  
Tim Dackow, RN, BSN CCEMT-P

**Workshop 2**

Mass casualty: Disaster drill response (EMS target)  
Doug Isaacs, MD  
Ray Smith, EM-P  
Mary Jo Stark, RN, MS, CEN, CPHQ  
Nathan Christopherson, RN, MSN, MBA, TCRN, CPEN, CEN, EM-P

**Workshop 3**

FAST scanning  
Mathew Nelson, DO  
Christopher Calandrella, DO  
David Teng, MD

**Workshop 4**

Advanced endovascular repair for trauma  
Gregg Landis, MD  
Yana Etkin, MD

10:30am  
**How to set up your hospital to be prepared for an MCI**  
Sheldon Teperman, MD

11am  
**Active shooter: Threat suppression and patient management in a mass casualty incident**  
Scott S. Coyne, MD

Noon  
**Lunch and poster presentations**

1pm – 2pm  
**Workshop 1**  
Hemorrhage control: Tourniquets, TXA/PCC, whole blood  
Michael Grossman, MD  
Ronald Simon, MD  
David King, MD  
Tim Dackow, RN, BSN CCEMT-P

**Workshop 2**  
Developing a video review program for a trauma center  
Matthew Bank, MD  
Annemarie Glazer, RN  
Francesca Bullaro, MD  
Danielle Sargeant, RN

**Workshop 3**  
FAST scanning  
Mathew Nelson, DO  
Christopher Calandrella, DO  
David Teng, MD

**Workshop 4**  
Development of a hospital-based active shooter plan  
Scott S. Coyne, MD  
Doug Isaacs, MD

2pm  
**Break**

2:30pm – 3:30pm  
**Workshop 1**  
Hemorrhage control: Tourniquets, TXA/PCC, whole blood  
Michael Grossman, MD  
Ronald Simon, MD  
David King, MD  
Tim Dackow, RN, BSN CCEMT-P

**Workshop 2**  
Developing a video review program for a trauma center  
Matthew Bank, MD  
Annemarie Glazer, RN  
Francesca Bullaro, MD  
Danielle Sargeant, RN

**Workshop 3**  
FAST scanning  
Mathew Nelson, DO  
Christopher Calandrella, DO  
David Teng, MD

**Workshop 4**  
Development of a hospital-based active shooter plan  
Scott S. Coyne, MD  
Doug Isaacs, MD

3:30pm – 5pm  
**Adjourn**  
Cocktail hour and networking

2pm Break
