

# 8th Annual Southwest Trauma & Acute Care Symposium

INTERNET OPTION!  
SPECIALTY INTEGRATION!  
EARN 14 HOURS MOC CME!

Nov. 10-11, 2016

Talking Stick Resort  
Scottsdale, AZ

Sponsored by:

www.aztracc.org

Arizona  
Trauma  
Association

## Greetings from the conference program committee

On behalf of the Arizona Trauma Association (ATA), formerly AZTrACC, we would like to invite you to our seventh annual trauma symposium. Sixteen outstanding local and national speakers will be giving twenty-seven concise lectures on relevant trauma and critical care topics. The symposium is all day Thursday and Friday at the wonderful Talking Stick Resort, Scottsdale, Arizona. The exceptional hotel room rates will extend through the weekend if you would like to “soak up” more Arizona sun in November!

DAVID NOTRICA, MD, FACS, FAAP  
PETER RHEE, MD, FACS  
CHRIS SALVINO, MD, FACS  
Conference Chairs, ATA

## About ATA

The Arizona Trauma Association (ATA) is a non-profit organization that is a network of Level I Trauma Centers in Arizona, along with physicians, nurses, and other trauma care providers. The goal is to improve the delivery of health care to injured patients by promoting trauma education, collaborative research, and outreach activities.

## About the Annual Conference

The **Southwest Trauma & Acute Care Symposium** is a premier conference on current trauma care practice. The faculty line-up features many of the top speakers and leaders in trauma. The content will be of special interest to physicians (in trauma, orthopedics, anesthesiology, emergency medicine, and critical care) and registered nurses involved in trauma care in the acute resuscitation phase (emergency department and operating room) and in critical care. Others involved in trauma care on an advanced level may also wish to attend (paramedics, respiratory therapists). The symposium is held annually.

This conference is unique in that it offers a high-definition internet live version for those who are unable to travel. This option is only open to attendees outside of the metropolitan Phoenix, Arizona area.

## Learning Objectives

At the conclusion of this activity, the participants will be able to:

1. Demonstrate innovative management techniques of both common and unusual trauma cases.
2. Apply evidence-based medicine to trauma care.
3. Differentiate the diagnosis and treatment options between pediatric and adult trauma cases.
4. Demonstrate methods to integrate core trauma and the critical trauma specialties (such as pediatrics, orthopedics, neurosurgery, plastics, radiology, and others).

## Poster Session

### Resident and Nurse Posters

Scientific posters on trauma topics will be accepted from any trauma care provider until September 16, 2016. Details on the poster session, including content, format, and related issues, can be found on the ATA web site at [www.aztracc.org](http://www.aztracc.org).

Cash prizes will be awarded!

## Conference Information

- Attire: Will be business casual for all events.
- Course Materials: These will be available on the ATA website and during on-site registration.
- Name Badge: The conference name badge must be worn for admission to all of the educational presentations.
- Special Needs: Please report any special needs to [carolyn.urish@aztracc.org](mailto:carolyn.urish@aztracc.org) by Nov. 3, 2016. (Mobility, sight, hearing, dietary, etc.).
- Conference Cancellation: In order to receive a refund, cancellation requests must be made in writing to [carolyn.urish@aztracc.org](mailto:carolyn.urish@aztracc.org) no later than Nov. 1, 2016. No cancellations will be accepted by phone. Refunds will not be issued for no-shows. **Hotel** – All hotel cancellation issues are between you and the hotel.
- Substitutions: If you find you are unable to attend, consider sending a colleague in your place. If a substitution is made on-site, a \$50 change fee will be assessed.
- Speakers and Topics: Subject to change. In the unlikely event that this conference is canceled, conference fees will be refunded to pre-registered participants, but refunds of consequent expenses such as travel and lodging cannot be made by ATA.
- Conference Information and Questions: For up-to-the-minute information about the conference, please see the web site at [www.aztracc.org](http://www.aztracc.org). If you have any questions about the conference or the registration procedures, please e-mail [carolyn.urish@aztracc.org](mailto:carolyn.urish@aztracc.org) or call us at 602-933-4060.

## Conference Center & Hotel

The Southwest Trauma & Acute Care Symposium will be held at the world famous Talking Stick Resort in Scottsdale, Arizona. State of the art conference rooms, panoramic roof top dining, world-class golf, entertainment, and fitness center are all within the resort. Looking to explore? You'll find exciting nightlife in Downtown Scottsdale, museums, incredible hiking, and many more activities within minutes of Talking Stick Resort!

Awards Presentation

## Conference Registration

Complete your conference registration online and book your hotel at:

[www.aztracc.org](http://www.aztracc.org)

### Attend the Symposium via the Internet, Live!

An exciting new alternative to avoid the expense & time of travel is to attend the Symposium live via the internet. Available world-wide and in an easily-viewable format, you may select this low-cost option and see and hear everything at the conference as it happens from the comfort of your home or office. You can also interact with other participants and the speakers through our unique chat system. Deeply-discounted at less than half the usual price, this option is available in the United States to all except Metro Phoenix, Arizona residents. The internet option for those residing outside the United States is also discounted to encourage world wide participation in this exciting new way of learning the latest in trauma. Internet participants who wish to view this Symposium from countries designated by the United Nations as "least developed countries" may do so for NO CHARGE – absolutely free! This FREE option is also available to all active-duty U.S. military personnel serving overseas at the time of the conference. See the website for a demonstration – [www.aztracc.org](http://www.aztracc.org)

## Continuing Medical Education Credits

Continuing Medical Education Accreditation Statement  
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME).

Phoenix Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Phoenix Children's Hospital designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Earn 14 hours of MOC CME!

Over a 3-year period, the ABS requires 30 MOC type of Category I CME's. Our Symposium allows you to earn up to 14 hours of MOC/ CME in just 2 days! Please visit our website for details.

## Continuing Education Credits

This continuing nursing education activity was awarded contact hours by Phoenix Children's Hospital, an approved provider of nursing continuing education by the Western Multi-State Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Phoenix Children's Hospital and the ANCC Commission on Accreditation do not approve or endorse any commercial products displayed.

14 hours of Paramedic Continuing Education through Honor Health Deer Valley Medical Center, Honor Health John C. Lincoln Medical Center

At the time of this publication full speaker disclosures were not available. Full disclosure will be made to the attendees prior to this activity.

Persons with disability may request a reasonable accommodation, such as a sign-language interpreter, by contacting Carolyn Urish at 602-933-4060 or [carolyn.urish@aztracc.org](mailto:carolyn.urish@aztracc.org). Requests should be made as early as possible to allow time to arrange the accommodation.
