The Society of Trauma Nurses (STN) is a membership-based, non-profit organization whose members represent trauma nurses from around the world. Members are health care professionals who are innovators and leaders in research, education, management, and direct trauma service delivery.

STN’s Annual Conference, TraumaCon, is the trauma community’s most powerful networking event for connecting with trauma centers and their influential leaders. In 2020, the Society is expecting an audience of over 600 trauma nurses, many of whom are involved in the management of trauma programs and trauma systems. You will find your customers in Atlanta, Georgia, April 1 - 3, 2020, at the Renaissance Waverly Hotel. Highlight the best of your company’s products and services by exhibiting at TraumaCon!

Connect with individuals who serve in leadership roles and have purchasing power within their health system. As Trauma Program Managers (TPM), their main responsibility is to oversee the entire trauma service line and ensure that it runs smoothly, often influencing financial decisions tied to specific patient care items and equipment.
