The Society of Trauma Nurses (STN) is a membership-based, non-profit organization whose members represent trauma nurses from around the world.

Vision: To be the premiere global nursing organization across the trauma continuum.

Mission: The Society of Trauma Nurses is a professional nonprofit organization whose mission is to ensure optimal trauma care to all people locally, regionally, nationally and globally through initiatives focused on trauma nurses related to prevention, education and collaboration with other healthcare disciplines. The Society of Trauma Nurses advocates for the highest level of quality trauma care across the continuum. We accomplish this through an environment that fosters visionary leadership, mentoring, innovation and interdisciplinary collaboration in the delivery of trauma care.

STN MEMBERSHIP BENEFITS INCLUDE:

- A subscription to STN’s publication, the Journal of Trauma Nursing (JTN).
- Access to strong trauma educational programs designed specifically for this field including:
  - Advanced Trauma Care for Nurses (ATCN)
  - Trauma Outcomes & Performance Improvement Course (TOPIC)
  - Optimal Trauma Center Organization and Management Course
  - STN’s Annual Conference: TraumaCon
- The opportunity to participate in Special Interest Groups and Committees
- Access to the STN Online Community, where members post questions and resources
- The opportunity to gain skills by serving in leadership roles at state and regional levels.
- The knowledge that you are a part of an association dedicated to advancement in the field of trauma.

STN is dedicated to the professional growth of its members, now numbering over 2000. These individuals represent trauma nursing leaders across the continuum of trauma care in the:

- emergency department,
- intensive care units,
- pre-hospital setting,
- perioperative arena,
- rehabilitation and outpatient services,
- surgical floors.

STN is involved in trauma-related activities at the local, regional, and international levels, in support of its mission and goals.
